

THE MONTEREY CYPRESS EMPIRE PRESENTS

CORONATION '79

8 P.M. SATURDAY SEPTEMBER 29
MONTEREY COUNTY FAIR GROUNDS

" I LOVE YOU "

There is a much greater motivation than simply my spoken words. For me to love, is to commit myself, freely and without reservation.

I am sincerely interested in your happiness and well-being. Whatever your needs are, I will try to fulfill them. If you are lonely and need me, I will be there. If in that loneliness you need to talk, I will listen. If you need to listen, I will talk. If you need the strength of human touch, I will touch you. If you need to be held, I will hold you.

I will try to be constant with you so that you will understand the core of my personality and that I am acting as me. I may falter with my moods. I may project, at times, a strangeness that is alien and bewildering to you. There will be times when you question my motives. But because people are never constant, I will try to build up within you a faith in my fundamental attitude and show you that my inconsistency is only for the moment and not a lasting part of me. I will show you love each and every day.

To what degree I give love is determined by my own capability, which is determined by the environment of my past existence and my understanding of love and truth. My understanding is determined by my parents, friends, places I have lived and been, and all experiences that have fed into my mind from living.

I will give you as much love as I can. If you will show me how to give more, then I will give more. I can only give as much as you need to receive or allow me to give. If you receive a portion of my love, then I will give elsewhere the balance I am capable of giving. I must give all that I have, being what I am.

Love is Universal. Love is the movement of life. I have loved, and all things in life I find beautiful. No human being or society has the right to condemn the love I feel or my way of expressing it, if I am sincere, sincerity being the honest realization of myself, and there is no hurt or pain intentionally involved in my life or yours.

I want to become a truly loving spirit -

I LOVE YOU ! ! !

GOOD NIGHT AND THANK YOU FOR JOINING US

P R E F A C E

The Monterey Cypress Empire is pleased to welcome you all to Coronation '79 - "FAIRYTALES COME TRUE" . The coronation we have planned this evening is meant to be a blend of socializing, dancing, and entertainment along with the well planned introductions of our visitors. We sincerely hope that your stay here in Monterey is enjoyable and we hope to see you at some of our future affairs.

What began as "CAMP" has evolved into a sought after title. Besides being the HOST & HOSTESS this evening, the Emperor & Empress must also be willing to work with AND for all segments of society; both gay and straight.

Accordingly, the Emperor & Empress must set aside personal prejudice, ego or glory and be able to work for our community. We are all looking forward to an even more prosperous and successful year up coming.

DEAR FRIENDS AND GUESTS FROM NEAR & FAR:

EMPEROR V

STAN

It is with mixed emotions that tonight I must say farewell to you as the reigning Monarch of our fair city. To put it simply, this year has been an education. I have met many new friends and renewed old acquaintances. Through our encounters, I hope I have grown as close to you as you have to me.

To those of you who started with us and stuck thru it by whatever means, there is not enough thank you's in the world that will show you my gratitude.

To those of you who felt compelled to depart for whatever reason, I thank you for that which you were able to give to our hopes and cause.

To those of you who joined us during this year, it is my sincere hope that we have imparted something to you of the Love we have for the people of Monterey; the hope of it's potential; and the dream of it's someday status within the whole scope of "brotherhood".

The poem at the front of this program is probably the most composite idea of my feelings for our cause, it's people, and and the future of Human equality. It simply TELLS IT ALL. For without LOVE, we are nothing.

To the two incoming Monarchs tonight, it is my hope that you will be able to do that which I was not. I can only give you one thing to stand on during your reign: BE STRONG... BE HONEST both with yourself and with those around you, and BE RECEPTIVE, to the feelings, moods, and hopes of others as well as your own. This is YOUR year, grab it by the b--ls and run with it for all it's worth. It seems like a long time, but it will be over before you know you've begun.

To my many friends visiting us tonight, let me say THANK YOU ! It is you who will and have made my year with you what I'll be remembering. Enjoy yourself, have fun, and continue to be what I have known you to be - the greatest people on earth.

FAREWELL - AND MAY LOVE BE YOUR CENTRAL MOTIVATION.
